Receive points for every dollar processed

Members of Stronghold's rewards program receive points for every transaction dollar processed through your technology or store. For each dollar of transaction volume, Stronghold provides partners with one point.

Sign up →

Benefits of becoming a loyalty member

- Partners can redeem the points to receive Stronghold's SHx token.
- Partners can redeem the points posted in their account to increase the partnership fee payable from Stronghold.
- Merchants may redeem their points to receive a rebate from Stronghold's processing fees.

"Not only does Stronghold provide best-in-class payment infrastructure for Aduro, they also have a unique and valuable Rewards Program that provides a tremendous benefit for us and our clients. The more we utilize Stronghold to scale our operations, the more they reward us back. Stronghold has proved they are truly invested in growing our business."

-Braughm Ricke, Founder at Aduro Advisors
