

# SoftwareSoft Portfolio Sample

We are SoftwareSoft, a professional Flutter & Laravel development company. Below are some sample projects showcasing our expertise in Codecanyon script installation, bug fixing, and full app & website development.

Project	Technology	Description
Food Delivery App	Flutter, Firebase	A complete app for food delivery with live tracking.
E-Commerce Website	Laravel, MySQL	Custom online store with payment gateway integration.
School Management System	Laravel, Vue.js	Manages students, teachers, classes, and exams.
Crypto Wallet App	Flutter, API	Secure crypto wallet with real-time price tracking.

These are only a few highlights of our work. We have successfully completed 60+ projects worldwide. Contact us to discuss your project and we will be happy to bring your ideas to life!
